Location Descriptions:

- **Waterfall Site** - The perfect location for outdoor ceremonies. Ceremonies typically take place on a round flagstone patio with an arch, located at the top of a waterfall feature and pond. The site can hold up to 800 guests in an open air setting.
- **Pavilion** - Located adjacent to the waterfall site and surrounded by beautiful views of our farm. This structure provides a scenic location for receptions. Our pavilion seats approximately 300 using round tables and up to 350 if we mix the rounds with rectangle. Pavilion is outfitted with side walls that can be lowered to keep out wind or rain. (No additional fee)
- **1915 Barn** - This historic barn is a unique and memorable location to hold ceremonies and/or receptions, particularly in the cool or cold weather. The barn is heated but not air conditioned. The main floor is only accessible by stairs and will seat 175 – 200 people.
